

“97% of employees felt healthier and better motivated when working in areas with plants in”  
Dr Lohr, University of Washington.

# Contemporary Plant Displays

## Overview

Instantly enhance your environment with our stunning selection of unbelievably lifelike plant designs. By bringing the outside inside, you can create a revitalizing natural aura in your business world which will boost the productivity, attentiveness and attendance of your workforce!

Our lifelike plants range represents the leading edge of replica plant technology and are almost impossible to distinguish from real plants. In fact our clients often say “They’re so lifelike - they’re unreal!”

Most designs are available with fire retardant foliage and are securely bonded into stylish durable planters, ready to create maximum impact in your workplace.

## Benefits

- No more withering plants or watering worries
- No more dropping leaves or pruning required
- Eliminate costly plant maintenance contracts
- Reduce employee absenteeism whilst increasing creativeness
- Innovative natural top-dressing on all planters

## Tabletop Plants & Screening Displays

Tabletop flowers and plants will create an inspirational living character to your desktop as well as providing a beautiful screening arrangement where required.

## Floorstanding Plants & Tree Designs

With so many floorstanding plant designs to choose from, any interior environment can be brought to life and instantly enhanced. What's more, our lifelike range ensures expensive and time consuming maintenance programmes can be eliminated.

## Interior & Exterior Plants Range

Whether it's the indoors or outdoors that need enlightening, you can take your pick from our extensive range. Our exterior plants are specially designed to endure the elements ensuring your outside areas are kept alive for years.

## Design-led Range of Pots & Planters

Our range of pots, planters and surface dressing options, ensure there is a style for the most design-conscious individual. With durable, easy-moving, funky, retro, rustic or contemporary styles, we can work with you to provide your desired solution.
